FILED**IN RE: PRELIMINARY INJUNCTION HEARING EXHIBITS**

'06 AUG 15 PM 2:59

Dear Justice Baxter;

Greetings, here are some of the Exhibits that were requested by the Court, on Monday, and I hope and Pray that they can be of help in resolving these many conflicts, and in making the Determination concerning the Granting of the Motion.

These are only some of the relevant papers that I still have from my Motions into the Family Division Court for a Modification of the **ARREARAGES**, some of the relevant papers that include the D.O.C.'s Proposition that this §1983 Civil Action Law-Suit is not Open/Active, which proves that the Staff, Employees, friends, Successors, of some of the Defendants, (Beard, Burks) continue to impede this Plaintiff's Rights to the Due Process of law, by the intentional delay in his Access to the courts, by the taking of his legal materials and forcing him to send them home, and also by the acts of stating that the majority of his cases are Closed, and not allowing the Plaintiff to retain the requisite Legal Material in his cell for research, and to use as Exhibits to copy and send in as proof, backing up his many Meritorious Claims.

I WOULD LIKE TO THANK YOU IN ADVANCE FOR LOOKING INTO THESE VERY IMPORTANT MATTERS, AND MY FAMILY AND I TRULY APPRECIATE THE ASSISTANCE.

SINCERELY;
